

# Passover in the Desert Sample Packing List

## General Notes

As temperatures and weather conditions can vary from corporate predictions, one should always be prepared for any conditions. Though temperatures this time of year are typically in mid-70s during the day to mid-40s at night, be prepared for at least +/- 10 degrees from these averages. Be prepared to encounter near-freezing temperatures at night!

Please bring one box of firewood per car with you, so we would have enough firewood for the weekend.

## Eating / Cooking Gear

*This is an environmentally friendly event, please no one-time use dishes and utensils.*

- plate/bowl
- pots/pans
- drinking cup/mug for hot beverages
- stove
- spoon
- knife
- fork
- garbage bags

## Water

- 2 Gallon per day (for drinking and washing dishes)

## Clothing Articles

- waterproof boots
