

## EXTERNAL DONOR-ADVISED FUND CONTRIBUTIONS

To contribute to your Jewish Federation Bay Area donor-advised fund (DAF) from an external DAF, please follow these instructions.

1. Go to your external DAF's donor portal to make a grant recommendation.
2. Make a grant in the amount you wish to transfer to your Federation DAF and in the memo state it's for your Jewish Federation Bay Area DAF, including **YOUR FEDERATION FUND NAME** and **FEDERATION FUND ID**.
3. When choosing the grantee organization, there's a chance that Fidelity, Schwab, or other DAF sponsors will still list us as Jewish Community Federation rather than Jewish Federation Bay Area. Please reference the Federal Tax ID to confirm that you're granting to the correct organization.

**FEDERATION TAX ID: 94-1156533**
