Mission Statement

The Jewish Pride Fund, a Giving Circle of the San Francisco Jewish Community Federation, is committed to supporting the intersecting needs, values and interests of the LGBTQ and Jewish communities in the Bay Area, nationally and in Israel.

Vision Statement

Our vision is to create a world where Jewish LGBTQ voices are heard across Jewish secular and religious society. We believe that if we empower LGBTQ individuals and families that identify with the Jewish community through financial and activist support of deserving organizations, we contribute to the rising power and agency of the LGBTQ community as a whole. We believe that members of the Jewish LGBTQ community have a unique role to play in civil rights, social justice, and religious inclusion.
