

Together, we're doing more than sustaining Jewish life — we're building a thriving, resilient future.

HELP US BUILD THRIVING COMMUNITIES

In the Bay Area, Israel, and Around the World

Every dollar you give to the Federation's Annual Campaign goes directly toward creating vibrant spaces for Jewish life to flourish, standing strong against antisemitism and hate, ensuring our community's safety and security, and fostering meaningful connections across generations.

Your generosity fuels Jewish life — from the Bay Area to Israel and beyond.

Combating Antisemitism

Antisemitic incidents have surged 344% in five years (ADL), threatening our safety and belonging. Through partners like JCRC and JPAC, we're amplifying Jewish voices and building resilience through advocacy and grassroots action.

Strengthening Jewish Life and Identity

From preschool through retirement, we fund programs that build pride, resilience, and connection. Through scholarships for Jewish schools, camps, and Israel travel, plus support for JCCs, Hillels, Diller Teen Fellows, PJ Library, and more, we empower meaningful engagement with Jewish life.

Caring for People in Need

Through partners like Jewish Family and Children's Services (JFCS) and Shalom Bayit, we provide critical support for vulnerable community members — seniors, immigrants, families in crisis, and those facing housing insecurity.

Promoting Justice and Inclusion

Rooted in *tzedek* (pursuing justice), we foster inclusion for at-risk groups — people with special needs, LGBTQIA+ individuals, Jews of Color, and others — through partnerships with organizations like Keshet, Jewtina y Co., and the LUNAR Collective.

Responding to Crises

As Northern California's Jewish community security experts, we train organizations, advise on threats, and secure funding. When crises hit, we mobilize immediately with partners like the American Jewish Joint Distribution Committee (JDC).

WHY GIVE TO THE FEDERATION'S ANNUAL CAMPAIGN?

1. Your dollars go further.

As California's largest funder of Jewish causes, we leverage decades of expertise to ensure your contribution creates maximum impact, and we strategically direct your gift where the community needs it most.

2. You become part of something bigger.

When you give to the Federation, you access innovative approaches like giving circles and Impact Investing that multiply the power of your generosity and help us address urgent challenges, such as rising antisemitism and housing insecurity.

3. You enable immediate response when it matters most.

When crisis strikes — from conflict in Israel to wildfires at home — your gift empowers us to move quickly, so help reaches those in need without delay.

4. You're building for the future.

Your gift connects you to a network of people and ideas working on the biggest challenges facing Jewish life today. By giving to the Federation, you're not just supporting programs — you're part of building a thriving, resilient Jewish future for generations to come.

BAY AREA

From crisis response to lasting change — your gift powers it all.

When you give to the Federation, you strengthen every corner of Jewish life. In 2025, donors like you helped us support thousands of lives, including:

\$2M+ in Scholarships

for youth and young adult participation in immersive Jewish experiences.

\$6.9M+

in state and federal security funding secured for Bay Area Jewish institutions.

2.1k+ Seniors

have access to transportation for basic needs, vital health services, and senior excursions.

1M+ Israelis

with direct emergency aid, education, welfare, employment, and social services, and mental health support.

9.1k Children

And 46 Jewish organizations to receive Jewish-themed books through PJ Library and PJ Our Way.

55k+ Vulnerable Jews

to receive essential services since the war in Ukraine began in 2022 through JDC.

“

The Federation continues to be instrumental in helping us to lower the financial barrier for more families every year — we couldn't do this work without them.
